

THE WANDA FREY JOINER AWARD

The Wanda Frey Joiner Award is presented to members, clubs and districts which donate \$1,000 or more, or had a \$1,000 or more contribution made in their name, to extend Quota service and friendship worldwide. Their generosity and dedication have strengthened Quota clubs and expanded Quota's outreach, thereby enriching our communities and our world. Founders are honored at a reception by Quota's International President and are given a Wanda Frey Joiner Founder pin and certificate at convention or the meeting of their choice.

Special thanks go to the Founders who have made new or additional contributions since May 1, 2008. 2008-2009 donors are marked with a ★. 2009-2010 donors are marked with a †.
