FOR IMMEDIATE RELEASE

Quota International Recognized for Volunteerism in Associations Advance America (AAA)

Honor Roll

(Washington, D.C.)— For an eighth year, Quota International, Inc. and its We Share Foundation have won an Associations Advance America Award, named to the 2009 Associations Advance America Honor Roll, a national awards competition sponsored by the American Society of Association Executives (ASAE) & The Center for Association Leadership. The foundation's **Volunteers in Action** program received the award for its work in promoting volunteerism by providing volunteers with the skills and resources necessary for effective community service and fund-raising through its Web site, communications, and other programming.

Now in its 19th year, the prestigious Associations Advance America (AAA) Awards program recognizes associations that propel America forward—with innovative projects in education, skills training, standards setting, business and social innovation, knowledge creation, citizenship, and community service.

Quota International, Inc., is an 90 year-old international service organization that links members of all ages, occupations, and nationalities in a worldwide network of service and friendship. Its clubs' members are supported through the We Share Foundation, which provides the support and resources necessary to link together members of 280 clubs in 14 countries around the globe.
