

Volunteer of the Year

Kathy Adkins, Quota International of Kirksville

Quota International of Kirksville nominates Kathy Adkins as our Volunteer of the Year. Kathy always goes that extra mile and is a member you can count on.

She has served on numerous committees during her fourteen years as a Quota member. She has either co-chaired or been a huge part of the Ways and Means committee for many years. We sell a variety of nuts as our main fundraiser and this project takes a lot of planning and organizing. The time and energy Kathy puts into this project is phenomenal. She has a display at her place of work and they sell hundreds of dollars of nuts for our club each year. She is currently our Program Chair and previously served two years as Treasurer of our club.

Kathy served as our District 7 Secretary Treasurer from 2008-2010. She was instrumental in organizing our "Quota Girls Gone Wild Weekend" which started five years ago. This is truly an event that has brought our District 7 Quota members closer. It is a weekend of fun...no meetings; however, we still share Quota stories and exchange ideas. It is just a great weekend and one that is attended by 25-30 of our District 7 members each year.

In addition to her Quota involvement, Kathy serves on the Salvation Army Board of Directors, her Church Finance Committee, and currently is the Chair of the Chamber of Commerce Ambassadors. She is a member of Beta Sigma Phi having served as President, Treasurer, and Vice-President.
