

Volunteer of the Year

Marion Charters
Quota International of Iosco County

Marion Charters is one of the sweetest, most generous souls; one could ever have the pleasure of meeting. Her world is a non-stop, morning till long into the evening workday. Her energy is boundless and generosity, endless. Marion owns the best home-made candy store in our city. It is a perfect match for Marion because all day she makes people smile and kids giggle. She volunteers for our annual wine festival to raise money to build a library, works at and brings her wonderful candy to the Quota Gourmet Delights event, helps out at the Christmas parade and tree lighting ceremony, volunteers at the Blues by the Bay festival and cooks chili for our Perchville Winter Festival. For our Chamber of Commerce she was a vital part of the Board of Directors for years. She is always willing to donate her candy to the hospital, Tawas Bay Playhouse and the teachers in our schools. Last but not least her hours donated to Quota are hard to count. She works at most of our events, is a member of Hearing and Speech, heads up our Fish Fry's and works at our Western Dance. She is truly amazing, warm hearted, generous and deserves to be our Volunteer of the Year.
