

Ellie Costola

Volunteer of the Year

Quota International of Sand Springs

Ellie Costola hadn't volunteered in any civic organization until she retired then she jumped into volunteering with both feet! She enjoys people and had a need to connect with her community. Her first effort was to join QI of Sand Springs volunteering at all the functions of her club i.e. their annual Murder Mystery fund raiser, the Salvation Army bell ringing, the Tulsa Speech and Hearing Association's Souper Sunday, ACS Relay for Life, the Women in Recovery celebration, and the many other volunteering or fund raising events offered by this busy club.

In her first year she served on the Board of Directors and from there she has served in every office with the exception of treasurer. Currently she serves the club as their publicity chair and newsletter editor.

She has been District Secretary/Treasurer and is currently District Lt. Governor.

Quota helped Ellie to hone her leadership skills. She now belongs to the Sand Springs Women's Chamber, Sand Springs Pilot Club, the Sand Springs Women's Club, the Sand Springs Community Theater and volunteers her time at church and at an elementary school.

Her favorite volunteer program is the literacy program she was instrumental in developing. We all know the importance of education and its strength to lift people out of poverty! Ellie is committed to this program - she remembers the days when she, too, was in the same boat and how reading was an escape; a tremendous learning tool; and most assuredly a road to success!
