

Quota International of Kalamazoo Volunteer of the Year
January 2011

Quota International of Kalamazoo is proud to nominate Jan Drumb as our Volunteer of the Year. Although she has only been a member for one year, she is certainly no stranger to our club. For many years before joining, Jan took an active interest in Quota International of Kalamazoo and participated in many of our fundraisers. When she decided to officially become a member last year, the club was thrilled! As a member, Jan hit the ground running and hasn't stopped since!

Through her work as a Teacher Consultant for the Hearing Impaired at Kalamazoo RESA, Jan has brought to the club's attention projects to benefit local hearing impaired children and their families. Always willing to take on more tasks, Jan's tireless enthusiasm, strong work ethic, and commitment to community are an inspiration to everyone around her. She truly embodies the spirit of volunteerism.
