

## **VOLUNTEER OF THE YEAR AWARD NOMINATION FROM QUOTA INTERNATIONAL OF LIVERPOOL INC.**

Joyce Robinson from Liverpool Quota is a true example of a Volunteer in our Community not only through Quota but through many other organisations she has assisted over the years. With 42 years of membership space does not permit me to include all her avenues of service through her Quota membership and the many other organisations she supports. The following are a few of the ways in which she has done and continues to do this. At the Red Cross Breakfast Club she served breakfast one day a week at a disadvantaged school for 3 years. Her assistance to our local hospital includes fund raising at their annual Fete while also knitting booties and bonnets for the new born babies in the Maternity Ward. Joyce designed and made uniforms for a hard of hearing school class to wear while performing at the annual School Spectacular. Getting involved with a local Nursing Home she either visited patients for afternoon tea or picked them up to go to someone's home for afternoon tea. She also took part in a roster to wash and set their hair or provide these ladies with a manicure. For the last 10 years Joyce has been delivering awards to Primary Schools for their Presentation Nights and each year attends one school to present this award. Today Joyce continues with her service to the community and can be seen raising funds for Liverpool Quota at their barbecue stalls or helping fund raise for the Cancer Council or Salvation Army

Dedication to the less privileged over such a long period is why we are nominating Joyce as our Volunteer of the Year for 2011
