

QUOTA INTERNATIONAL OF VALDOSTA

**PO BOX 5441
VALDOSTA, GA 31603**

Please accept as our nominee for Volunteer of the Year, Eileen Trantham. This essay could never boast of enough adjectives to describe the love and enthusiasm which Eileen has for her Quota club. Her heart is truly that of a servant. She stands ready to say yes when asked to help with or to head up a project. Not only does she say yes, but she performs at a 110% level. She has said on many occasions, "I'm not going to do it, unless I can do it right."

Eileen has been a member of the Valdosta Club for more than 35 years. It is amazing that her zest and zeal for club projects and the community have not dimmed in those years. Her response to being named our nominee was, "I can't believe that I am being honored for something that I love to do".

Eileen is an anchor and example for our club to follow. I personally am glad to call her my Quota sister and friend.

Sincerely,

**Robbie Brooker
President**
