

In Memoriam

Erin Steffensen

Quota International of Kingaroy, Queensland, Australia

August 5, 2016

Erin Mary Steffensen, age 93, was a long serving member of Quota International until she became incapacitated and could not attend meetings. She was a very generous person and helped out in many ways. Her home was always open to Members and she loved her garden. Erin loved her clothes and would always look immaculate.

'Erin was the loving wife of Ted, beloved sister of Basil, Neville, Jack, Ronnie and James Czislawski, Joan Fitzpatrick, and Marie Power, all who preceded her in death. She will continue to be cherished by her children, Mary, Anne, Jim, John and Joan.'

Erin's beautiful spirit will live on and she will be missed very much.
