

# In Memoriam

## **Renee Renshaw-Myrwang**

**Quota International of Central Oregon, Oregon, United States**

*June 5, 2018*

Renee found her niche in her business “Creative Employment Solutions” as a consultant for people with disabilities. Wanting to give more of herself to the community she joined Quota International of Central Oregon in April of 2004. Renee loved being a part of Quota, and all the good work that we do. She was very much into being a member. She also worked for the Oregon DHS as a Vocational Rehabilitation Counselor before retiring in 2016 to focus on her health.

Renee was an inspiration to many who knew her throughout her life. Her beautiful smile, kindness, warmth and love of life were just a small part of what drew people to her. After her diagnosis of cancer, she fought with everything she had. We will all miss her!
