Past Club President

Ruth Gulson

Quota International of Goulburn

March 9th, 2019

Ruth Gulson was a valued, respected and much loved member of Quota International of Goulburn, New South Wales, Australia. She was highly sort after as a member of the club for many years, but, because of the devotion to family, chose not to join until she could give Quota the attention and time that she wanted. Her family were delighted that Ruth had found something that was just for her and that gave her so much pleasure.

Ruth was a great worker; always reliable, enthusiastic and seemingly tireless. While preferring to be in the background she did take on the Treasurer's role and also became the District Secretary/Treasurer. She represented Goulburn Club and the 31st District with grace and dedication and won the respect and admiration of her Governor and the 31st District Quota Club members.

Ruth became infamous for her participation, her friendly manner and her orange cake which was always in demand on catering occasions.

Members of Goulburn Quota Club were privileged to have Ruth as a member but greatly saddened as her health deteriorated and the lovely, gentle and dedicated Quotarian was lost to us all.

You are missed Ruth.
