

In Memoriam

Past Club President

Indu Rani Punj

Quota International of New Delhi

June 28, 2019

Indu joined the club in 1992; one of the oldest members of the club.

She was a very active and committed member. Kind and gentle who always cared for family and friends. Indu helped start lots of good work in Quota. She was the real spirit and backbone for Quota Home. A tireless and selfless person who was an inspiration for all who knew her.

Indu was not a stranger to most of Quota International members. From India, she attended the maximum number of International conferences, and also her home in Delhi was always a place for big parties whenever International presidents and members visited India.

Indu lived a life always serving the needy ones with a smile on her beautiful face.

Finding it so unbelievable to use past tense to talk about Indu.

She will always remain in the hearts of Quota members.
