Mary Lyons

Quota International of Magnolia, Arkansas, United States

October 9, 2016

Mary Lyons was a dedicated member of Quota International of Magnolia until her health problems dictated that she could not attend.

She was President for our club for two terms, 1996-1997 and then again from 1997-1998. She received our Jewel Pin Award in 1995.

Mary was an organizer and leader. But most of all, a hard worker. She loved fundraising and gave them her all. One year, she made beautiful scarfs for all our Quota pins we have. We like that so well, she made many more and we sold them at conference that year. They were beautifully made with "Quota" embroidered on them.

She was a dear lady and she will be missed.
