## **Patricia (Pat) Murphy**

**Quota International of Magnolia, Arkansas, United States**

*January 23, 2017*

Pat was a very talented lady. She was an excellent treasurer. Pat served as Quota International of Magnolia's scrapbook person for many years and they were beautifully done. She was President of the club in 1984-1985 and received the Jewel Pin Award in 1987.

Even after her health failed and she had to resign from Quota, Pat did copy work for yearbooks and service projects.

Pat's love for Quota and it's projects continued until her death. Every time that she visited with a member, she would always ask about Quota and how things were going. She will be greatly missed.
