## Past District Governor

### Shirley Viva Sakrzewski

Quota International of Murgon, Queensland, Australia

July 11, 2018

Past District Governor Shirley Viva Sakrzewski passed peacefully on the 11th of July 2018. She was the loving wife of Lloyd; beloved sister and sister-in-law of Errol and Shirley; loved mother and mother-in-law of Ross and Margaret, David and Ken; and treasured aunt and great-aunt.

Shirley was an active member of Quota International of Murgon, chartered on the 24th of August 1984. After a couple of years as a member, the position of District Governor for the 34th District became vacant and Shirley was nominated for and accepted the position. The District included twelve clubs from Rockhampton to Nambour and inland to Biloela and Kingaroy.

Quota was her passion and she loved to travel. The two passions served her well as she traveled to Quota International Annual District Conferences, Leadership Training weekends and an International Convention in America.

Club members could always count on Shirley. During the 34 years that Shirley was a member of Quota, she held many positions and always put her hand up to help. She would volunteer for club leadership positions and for any task that needed to be done from making lamingtons, cutting up fruit salad, catering for luncheons, selling raffle tickets, and selling books at Bookfest, to cutting cake on the anniversary of Quota International's founding date.

Shirley was a friend to all who knew her. Her heart was one of love, friendship and service. She will be missed and remembered well.
